MEMORANDUM FOR: Deputy Director for Administration

FROM : Clifford D. May, Jr.
Director of Data Processing

SUBJECT : Assistance to the Federal Bureau of
Investigation

REFERENCE : a. HR [] Annex E, Procedures to Obtain
Approval for CIA Assistance to
Other Government Agencies
b. OGC 76-1949, dtd 27 Jul 76, Subj:
Procedures for Rendering Advice
Pursuant to HR [] Annex E

1. The Office of Data Processing requests approval to provide the Federal Bureau of Investigation with the assistance outlined below.

a. Description of activity: Technical advice concerning CIA's experience with the Generalized Information Management System (GIMS), unclassified computer software developed by TRW for the Federal Government. Mr. David Evans, a technical representative of FBI, has requested a briefing and possibly follow up technical advice to assist the FBI in installing and using GIMS at FBI. The briefing will be scheduled as soon as approval is obtained. Follow-up sessions will be scheduled as needed.

b. Location of assistance: CIA Headquarters
and []

c. Organization involved: Office of Data Processing.

d. Basis for activity: The "Brook's Bill" (40 U.S.C 759) encourages executive agencies to share and exchange information related to data processing technology.

e. Financial costs: None, other than personnel time spent in providing technical information.

f. Manpower: One to three ODP employees are expected to spend no more than ten manhours providing technical information.

STATINTL

g. Agency employee to consult for additional information: Mr.

2. ODP believes the Agency has authority to provide the requested assistance and that such assistance is uncontroversial and in the best interest of the Federal Government. We, therefore, recommend that the procedure described in Reference b. be used to expedite approval.
